FOCH LUNG TRANSPLANT GROUP

Dear Colleagues

We are pleased to welcome you to the 17th International Congress on Lung Transplantation, which will be held in Paris on September 10-11, 2026.

The scientific program will include new subjects in addition to classic topics, presented by eminent leaders in the field of transplantation.

Our hope is that numerous lectures and debates will be fruitful and have a positive impact on the future of each participant.

We look forward to welcoming you in the beautiful city of Paris.

Best regards,

Antoine ROUX, Edouard SAGE
